

FACILITIES RENTAL APPLICATION

Middle Musquodoboit Agricultural Society

www.musquodoboitag.ca

All rental applications must be approved by the MMAS Rental Committee.

Applications are reviewed on the third Tuesday of each month (excluding December). If an application is received prior to this date, then notice will be given to the applicant by the end of the month in which the application was received. For this reason, we ask that rental applications be submitted at least one month prior to the proposed event.

Not-for-profit groups and community events are eligible to apply for a subsidy from the MMAS to help reduce the cost of their rental. Ensure that the section entitled Subsidy Request is filled out completely for eligibility.

Applications should be emailed finance@agricommodity.ca to ensure they are received promptly.

Event Organization / Group	
Description of EVENT
